IN AN EFFORT TO PROVIDE TIMELY AND ACCURATE INFORMATION TO OUR STUDENTS, STAFF, AND FACULTY MEMBERS, THE FOLLOWING FACTS ARE PROVIDED:

**CAMPUS INCIDENT**

**Rape**

**Residence Hall, west side of campus**

On April 29, 2015 the UT Police Department received a report of a rape that occurred on April 28, 2015 by a non-stranger in a residence hall.

**Safety Tips:**

- 75-80% of sexual assaults are committed by a non-stranger, classmate, friend, partner, or (ex) partner (Krebs, et al., 2007). Never assume that you cannot be assaulted by someone because of your relationship with them.
- Familiarize yourself with the blue phones in case you have to use one.

**Consent:**

The university’s interim policy on sexual misconduct and relationship violence defines “consent” as the knowing and voluntary communication, through words and/or conduct, of an agreement to engage in a particular act, including without limitation a particular act of sexual contact or sexual intercourse. More information on this policy can be found at [http://sexualassault.utk.edu](http://sexualassault.utk.edu)

Consent is never implied by a person’s attire, reputation, consumption of alcohol or drugs, previous consent to sexual acts, or your relationship to the person. Sexual assault is never the victim’s fault. The only person responsible for sexual misconduct is the perpetrator.

If you engage in sexual activity, be sure you understand your partner's limits, and communicate your own limits clearly. Don't engage in sexual activities without affirmative consent from your partner.

Even if you are under the influence of alcohol or drugs, you are still responsible for obtaining consent from the other person before initiating sexual contact.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires the university to notify the campus community of certain criminal activity that occurs on University owned or controlled property. In addition, the University is required to provide safety tips that may aid in the prevention of similar crimes. The intent of a safety notice regarding a criminal incident(s) is to enable individuals to protect themselves and make more informed decisions about their personal safety.
